NEWS RELEASE

FOR IMMEDIATE RELEASE

DECO Security Services to Sponsor Cloquet-Esko-Carlton Junior Varsity Boys Soccer Team for 2004-2005 Season

Duluth, Minn., September 9, 2004- DECO Security Services, a leading provider of Security Services, which includes security guards, system monitoring, and electrical contracting work to federal, tribal, and corporate clients throughout the world, today announced that they will sponsor Cloquet-Esko-Carlton Junior Varsity Boys Soccer Team for the 2004-2005 season. The fall season began August 16, 2004 and ends October 12, 2004.

"DECO is extremely excited to be able to support this effort. We feel that supporting the community is an integral part of our organization's mission," said DECO Chief Operations Officer and Executive Vice President, Derek J Dorr.

The majority of the need was for new uniforms. "In this unique arrangement the Junior Varsity Boys High School team will use the uniforms in the fall, and in the spring and summer the Esko Recreational Soccer Association will use them for their upper division teams, comprised of 15-19 year olds boys and girls. In this way the gift can be used year round and affirms the relationship between the community and the school system," stated Coach Bud McClure.

The Cloquet-Esko-Carlton Junior Varsity Boys Soccer Team's schedule can be seen at <http://www.carlton.k12.mn.us>, or the Cloquet High School Athletic Office can be reached at 218-879-3393.

About DECO Security Services:

DECO is a leading provider of Security Services, which includes security guards, system monitoring, and electrical contracting work to federal, tribal, and corporate clients throughout the world. Throughout the past 18 years DECO has succeeded by striving for above average standard of professionalism, reliability, and capability. DECO provides the full circle of security protection– from the installation of systems, monitoring of systems, to physical guards and patrol services. DECO is able to provide its clients the complete package.

As a Native American owned company, DECO has had the distinction to be considered one of the elite SBA certified 8(a) and HubZone certified firms in the United States. All of DECO's services are executed by the highest caliber of officers and managers available. DECO offers trained experts in each of the following areas to ensure your facilities and personnel are protected to the highest degree.

- Armed and Unarmed Guards
- Alarm center and dispatch services

- Badge identification and reception desk control
- Traffic enforcement
- Patrol services
- Security system installation
- System monitoring
- Escort services
- Safety and fire protection
- CCTV monitoring
- Security consulting

DECO has extensive experience in providing Security Services to a variety of federal and private agencies throughout the United States. Some examples of our current clients include: Department of Homeland Security, Department of Defense, Department of State, Federal Aviation Administration, and the Environmental Protection Agency. Currently DECO has been servicing clients in the Duluth area since 2000.

THE DECO DIFFERENCE

- DECO's diversification in clients and services, illustrates our clear and overwhelming capability to operate a critical security program.
- DECO maintains over 1,500 Security Officers throughout the United States with employee turnover rates well below 3%. DECO officers are constantly and consistently trained, tested, and quality control checked to ensure our clients they have the highest caliber of security at each location. This DECO system is well tested and evaluated by the leading security services experts in the industry.
- To aid in the government and private sector's need for ever-increasing security, DECO is one of the only security services providers to possess a Top Secret Facility Clearance.
- DECO's overriding focus is on customer service. Our team members work closely with your project managers to ensure your facilities and personnel are protected to the best of our ability. DECO understands the need for quick and smooth transitions, and we pride ourselves on being able to offer them to each contract we are awarded.
